# ANDRE RIEU

## & his Johann Strauss Orchestra

Saturday 15th December 2012 · 2 Days · Only £199

**See the highest-charting classical instrumentalist of all time in this spectacular live concert...**

A musical phenomenon, Andre Rieu is unlike anything else in the entertainment world. Music fans can expect the experience of a lifetime when they attend the only classical concerts where the audience jump to their feet and dance in the aisles.

Rieu topped the Billboard Hot Tour rankings with his sold-out World Stadium last year, and is now bringing his Johann Strauss Orchestra, Choir and Soloists to the UK.

Having already created an international revival in waltz music with his spellbinding musical extravaganzas, Andre Rieu very quickly won the hearts of the British public with the release of his album 'Forever Vienna' which smashed chart records by reaching No.2 of the UK pop charts, as well as going straight in at No.1 in the Classical Charts.

At last, fans across the country can see for themselves just why Andre Rieu is the biggest solo male touring artist in the world. Conducting the Johann Strauss Orchestra with his violin bow—just like the composer himself—Rieu's onstage charisma and rock-star demeanour make his live shows simply irresistible.
