DANIEL O'DONNELL

Friday 27th April 2012 · 3 Days · Only £269

The life and times of Daniel O'Donnell seem to be a story of constant success, achievement and honour for the highly amiable man from Donegal.

As each year passes more success seems to come his way, as people the world over flock to the concert halls, the record shops and the television screens in an attempt to catch their own personal glimpse of the Irish crooner. In the past three years alone Daniel has put an astonishing 7 albums in the UK Top 20, topped the DVD Music Charts at Christmas and reinvented himself with his highly successful 'Rock 'n' Roll Show'!

How he fits it all in is anyone's guess, but above all these statistics, one of the things that possibly remains most incredible about Daniel is that he still has the same warm and affectionate love for his music and his fans now as he did over 20 years ago, when it all started with his first ever recordings.

This year Daniel celebrates his 30th year in the music business, and also his 50th Birthday. To celebrate this milestone, he has released an Ultimate collection CD featuring 10 new songs and 30 songs which reflect many aspects of his career, past and present.
