**Now in its
25th record-breaking year!**

Matinee · Thursday 12th April 2012 · Only £89

Far beneath the majesty and splendour of the Paris Opera House, hides the Phantom in a shadowy existence..... Shamed by his physical appearance and feared by all, the love he holds for his beautiful protégée Christine Daaé is so strong that even her heart cannot resist. The musical opened at Her Majesty's Theatre on 9 October 1986 with Michael Crawford and Sarah Brightman in the leading roles, and there have been dozens of productions worldwide since then. Now in its 25th record-breaking year, The Phantom of the Opera continues to captivate audiences, after more than 10,000 performances. Andrew Lloyd Webber's mesmerising score along with jaw-dropping scenery and breathtaking special effects, magically combine to bring this tragic love story to life each night. Cameron Mackintosh's spectacular new production of Phantom of The Opera will be unveiled in February 2012 before arriving at Manchester's Palace Theatre next spring.
